The Chase Home's 9th Annual Wine & Chocolate Tasting Fundraiser

SPONSORSHIP OPPORTUNITIES

We hope you will consider partnering with us through the purchase of an event sponsorship. Sponsors receive exposure before, during, and after our largest fundraiser of the year, **The Chase Home's 9th Annual Wine and Chocolate Tasting** happening on Wednesday, November 8th, 2023.

Proceeds from this event support the immediate needs of residents living at The Chase Home. As an advocate and residential treatment program for at-risk youth across the Greater Seacoast since 1877, The Chase Home provides transformative support services to youth and families healing from trauma. The focus of our programs is to help each young person change the behaviors that are hindering their growth by teaching them to create a stable pattern of living through therapeutic support, community engagement, and individualized treatment planning and goal setting.

These services and programs include:

- **Seacoast Community Diversion Program** works with delinquent youth in the community by holding them accountable for their behaviors without resorting to legal/court intervention and helping them develop skills relevant to their future success.
- **Independent Living Program** assists young adults (18-21) in developing essential life skills to successfully transition into adulthood from living at Chase Home to living on their own.
- **Home-Based Program** works with youth and families in their homes providing wrap-around therapeutic services in order for family preservation or reunification from the residential program to be successful and enduring.
- **Residential Treatment Program** provides a supportive and stable living environment for at-risk youth to overcome trauma and build confidence. Residents are empowered to utilize adaptive coping mechanisms, develop life skills, and create healthy relationships throughout the community.

Thank you for your time and consideration!

Sincerely,

The Chase Home Board of Directors
